MAIL STOP PETITION

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Upon receipt of the Notification of Abandonment dated December 3, 2007, the undersigned checked the USPTO's Patent Application Information Retrieval (PAIR) System and discovered that a Notice of Missing Requirements was supposedly mailed on April 5, 2006. However, the Notice of Missing Requirements was never received in the undersigned's office. Therefore, Applicants hereby respectfully petition for a new Notice of Missing Requirements and for withdrawal of the holding of abandonment in accordance with the requirements of MPEP §711.03(c)(I)(A).

The undersigned hereby attests to the fact that the Notice of Missing Requirements was not received by the undersigned or his office and a search of the file jacket (including the file's contents) of the above application and the docket records of the undersigned attorney indicates that the Notice of Missing Requirements mailed April 5, 2006 was not in fact received. Applicant initially became aware of the existence of the Notice of Missing Requirements based on an inquiry on PAIR after receiving the Notification of Abandonment mailed on December 3,

2007. As evidence of such non-receipt, appended hereto is a copy of the internal docket record for all Office Actions received from the U.S. Patent and Trademark Office in the Sughrue Mion, PLLC Docketing Department during the period from April 4, 2006 (one day prior to the mail date) up to and including April 13, 2006 (a week and a day after the mail date), as well as a copy of the file jacket. As a routine matter, mail received by Sughrue Mion, PLLC is first processed and recorded by the Docketing Department upon its arrival.

Accordingly, Applicant respectfully requests that the holding of abandonment be withdrawn and, furthermore, that a new Notice of Missing Requirements be mailed to the undersigned providing a new period for response. The undersigned has contacted the Applicant today to request the executed formal documents, and will submit same in the USPTO upon their receipt.
